

Go flat-to-the-floor at Hampton Downs

Be in to win your place in the driver's seat of a hot BMW for an exciting day of thrills (no spills!) at Hampton Downs race track.

In association with BMW Driver Training, Merge brings you the inaugural Merge Communications Track Day, set for Friday 4 November

The first 100 customers signed up to the full Merge Connect service (and current at 30 September) go into a draw for one of 16 places for the Merge Track Day.

Join us for \$600 worth of excitement and fun-filled driving at Waikato's Hampton Downs race track.

Led by Mike Eady, a highly successful motorsport champion and one of only a few qualified Senior BMW Instructors in Australasia, BMW Driver Training will ensure we all have a cracking day at Hampton Downs.

Here's what you get -

- A familiarisation pack sent to you before the big day
- Use of BMW's fleet of 10 driver training cars
- Instructional braking and cornering modules
- Fun pursuit laps in the BMW fleet cars
- And, hang on, a Hot Lap or two (get taken round the circuit by Mike Eady in the BMW M3 race-tuned car at full-on race speed)

On completion of your course, you will receive a Certificate for the Advanced Level One course and very collectible, show-offable cap.

You'll need to get yourself up to and back from Hampton Downs, but the rest is on us - \$600 worth of Track Day education and entertainment with cars supplied, catering throughout the day, and instructions from a certified BMW instructor.

**Hampton Downs Motorsport Park
Meremere South, Waikato
Friday 4 November 9.30am to 4.00pm**

Merge Track Day Terms: Only full \$19.95-per-month Connect accounts are valid to go into the pool draw for one of 16 places. Accounts need to be current at the time of the pool draw (currently planned for end of September). Should you wish to stay overnight Thursday or Friday, Hampton Downs Apartments are available (accommodation costs not included in the prize). They are adjacent to the track. You might be interested in your own Track Day experience or advanced driver training at some other time. If so, please contact BMW Driver Training, email bmwdrivertraining@tracktime.co.nz
